Dear [Hiring Manager's Name],

I am writing to express my interest in the Frontend Developer position at [Company Name]. With a strong background in web development, a passion for creating seamless user experiences, and a keen eye for design, I am confident in my ability to contribute effectively to your team.

My proficiency in **HTML, CSS, JavaScript, React, Redux, Tailwind CSS**, and various frontend and Backend frameworks, combined with my problem-solving skills, allows me to build intuitive and high-performance user interfaces.

I have completed my Bachelor of Engineering from Maratha Mandal Engineering College Belgaum , where I built a strong foundation in programming and UI principles. Additionally, I have worked on several real-world projects that have enhanced my ability to write clean, scalable, and maintainable code.

I am excited about the opportunity to apply my skills at [Company Name] and contribute to building engaging, responsive, and efficient web applications. I look forward to the possibility of discussing how my expertise aligns with your team's goals.

Thank you for your time and consideration.

Sincerely,
Sonali
